

Rolleston Quarry

Community Liaison Group Meeting

Held at the Rolleston Quarry - Wards Road

Thursday 26 February 2015

Present: Jonny Francis (Road Metals), Murray Francis (Road Metals), Wendy Gallagher, Clayton Fairbairn, Mark Alexander.

Apologies: Terri Young (ECan), Martin Crow.

Meeting commenced at 7:34 pm.

Minutes from the previous meeting were confirmed as true and correct.

The flag light had been installed.

The hearing for consent variation was held in January and a decision had not yet been made.

The concrete batching plant was now operating but there had been no early starts yet.

The CLG was shown the current traffic numbers that confirmed compliance with the consent.

With regard to encouraging trucks not to use Kerrs road, an updated Driver Code of Conduct will be distributed to all truck drivers soon and a sign will also ask trucks not to use Kerrs Rd if possible.

It was confirmed that there was no application to deepen the Rolleston Quarry below what was already consented.

Once the concrete plant was in full production there would be some noise monitoring undertaken and these results would be shared with the CLG group.

It was proposed that the next meeting would be held on site at the Rolleston Quarry on Wards Rd on May 7th at 7:30 pm.

Meeting declared closed at 8:05 pm.
