

## Rolleston Quarry

### Community Liaison Group Meeting

Held at the Rolleston Quarry - Wards Road

Thursday 7 May 2015

**Present:** Jonny Francis (Road Metals), Murray Francis (Road Metals), Wendy Gallagher, Clayton Fairbairn, Mark Alexander, Martin Craw.

**Apologies:** Aliesha Esker (ECan).

---

Meeting commenced at 7:34 pm.

Minutes from the previous meeting were confirmed as true and correct.

The consent variation decision had still not yet been made, but was expected tomorrow.

The CLG was informed that current traffic numbers still complied with the current consent.

With regard to encouraging trucks not to use Kerrs Road, an updated Driver Code of Conduct had been distributed to all truck drivers and a sign had been installed near the exit to the quarry.

Noise monitoring for the concrete plant would be undertaken on an occasion when the concrete plant started production early in the morning to minimise any noise interference from other sources.

It was noted that some truck drivers were using their air brakes when coming into quarry. A notice would be put up at the weighbridge asking drivers not to use the air brakes if possible.

Clayton would be looking into finding another community representative for the CLG before the next meeting.

It was proposed that the next meeting would be held on site at the Rolleston Quarry on Wards Rd on August 13<sup>th</sup> at 7:30 pm.

Meeting declared closed at 8:05 pm.
