

Rolleston Quarry

Community Liaison Group Meeting

Held at the Rolleston Quarry - Wards Road

Thursday 11 Feb 2016

Present: Jonny Francis (Road Metals), Murray Francis (Road Metals), Clayton Fairbairn, Mark Alexander, Martin Crow, Jane Griffiths (SDC), Gill Jenkins (ECan).

Apologies: None.

Meeting commenced at 7:35 pm.

Minutes from the previous meeting were confirmed as true and correct.

The CLG was informed that current traffic numbers still complied with the current consent.

A water balance was prepared by PDP and this was shown to the group to confirm compliance.

Jane and Gill gave the group an update on the compliance and monitoring results and there had been no issues.

Clayton and Martin would try to find another community representative for the CLG.

Road Metals was still looking at holding an open day at the quarry, but due to delays in the workshop construction, this would now happen later in the year.

It was proposed that the next meeting would be held on site at the Rolleston Quarry on Wards Rd on May 12th at 7:30 pm.

Meeting declared closed at 8:05 pm.
