

Rolleston Quarry

Community Liaison Group Meeting

Held at the Rolleston Quarry - Wards Road

Thursday 1 September 2016

Present: Jonny Francis (Road Metals), Murray Francis (Road Metals), Mark Alexander, John Roux, Jane Griffiths (SDC).

Apologies: Clayton Fairbairn, Gill Jenkins (ECan).

Meeting commenced at 7:30 pm.

Minutes from the previous meeting were confirmed as true and correct.

The CLG was informed that current traffic numbers still complied with the current consent.

A noise survey was undertaken on the 14th of July at 4am by Marshall Day Acoustics. The noise monitoring report was tabled and the report confirmed compliance with the consented noise limits.

Jane gave the group an update on the compliance from SDC. There had been a complaint around trucks using Kerrs Road but as yet this was unsubstantiated.

The contractor for the SDC would be doing dust suppressant trials on Kerrs Road before the summer.

Road Metals was still looking at holding an open day at the quarry, and this would happen later in the year.

It was proposed that the next meeting would be held on site at the Rolleston Quarry on Wards Rd on December 1st at 7:30 pm.

Meeting declared closed at 8:05 pm.
