

Yaldhurst Quarry – RM4

Community Liaison Group Meeting

Held at the Yaldhurst Quarry – West Coast Road

Tuesday 25 March 2025

Present: Kevin Crews, Jonny Francis (Road Metals), Lindsay Forbes (Road Metals).

Apologies: Soraya Nicholas (Chair), Craig Fagan (CCC).

Meeting commenced at 4:00 pm.

Lindsay and Jonny explained that the extraction for RM4 was now completed with only the rehab remaining.

The residents had no specific complaints.

Craig Fagan (CCC) had inspected the RM4 site recently with no issues reported.

The dust monitor was shifted to the RM4B area in February 2023.

It was proposed that the next meeting would be held on site at the Yaldhurst Quarry on 25 March 2026 at 4pm. It was expected that the RM4 rehabilitation would be completed by this date and that this meeting would involve a drive over the completed RM4 area.

Meeting declared closed at 4:33 pm.
